Chapter 2 GENERAL PROGRAM INFORMATION

Leagues

Dennis Olson League (DOL): **Division 1** Age pure, U10, U11, U12, U13, U14, U15, U16, U17, U18, and U19 competition teams that are classified by their oldest player. “Age pure” does not require that all players be of the same age; it does, however, require that the team be placed at the age level of the oldest player on the team. An U9 player interested in playing U10 must apply through the District for an evaluation and approval. Players interested in rostering in an older bracket are governed by its League’s policy and procedures related to “playing up”. With the exception of fill in teams, Division 3 or Division 4 teams competing at the Division 1 level will be reclassified for the remainder of the seasonal year.

Eric and Brad Kaercher League (Kaercher): **Division 3** Upper level, advanced or first division development teams are teams whose players are normally selected via tryouts and a draft. These teams include only a portion of the league population in an age group and are intended to provide a level of play between house league and competition teams. Players interested in rostering in an older bracket are governed by its League’s policy and procedures related to “playing up”. With the exception of fill-in teams, Division 1 teams may not play Division 3. Division 4 teams competing at the Division 3 level will be reclassified for the remainder of the seasonal year.

Purpose

The purpose of these two (2) leagues is to develop, promote, and administer the game of soccer at the highest levels of competition in their respective division. Both leagues shall promote mental and physical fitness, develop self and community pride, and provide youth players the opportunity to learn and play organized soccer in CYSA-North Divisions one (1) and three (3).

D8 Competitive Teams’ Boundary

The boundaries of the DOL and Kaercher leagues shall be the geographic area defined by CYSA-North (CYSA-N) as District VIII.

Affiliation

Eligible teams are defined as those teams rostered through an affiliated League in CYSA-N District VIII, for the current seasonal year. Individuals may not independently roster a team with the District.

Financial Responsibility

CYSA-N District VIII and its administration (volunteer/paid) shall not assume, nor be liable for the debts nor the financial responsibilities either implied or incurred by any of its member leagues, member teams, member coaches, member assistant coaches, team managers, trainers (paid/volunteer), players, parents, or other related individual(s). Teams should discuss anticipated expenditures with their host League to verify policies and procedures for spending/reimbursement.

Playing Rules & Regulations

The Rules of Play for the DOL/Kaercher programs shall follow all rules, regulations, PIMs, and procedures set forth by the CYSA District VIII Board, DOL/Kaercher League Playing Rules & Regulations, and USYS.

CYSA District VIII – Dennis Olson & Kaercher Program Guide vs CYSA Team Manual and other publications

Please note that this Guide is not intended to be all encompassing. Coaches, Assistant Coaches, Team Managers, and Administrators are encouraged to review all materials available online at www.cysanorth.org, including but not limited to Team Manuals, Risk Management modules, as well as a host of coaching tips and guidance. This guide offers specific information on the local programs, policies, and procedures. The District may incorporate and enforce more stringent rules/penalties than those set by CYSA-N.

League “Season”

There shall be two standard “League” playing seasons for the DOL-Kaercher programs.

Program Fees

District Playing Fee - \$150.00 (waived in 2009 for U10 D1 teams)

End of Season Tournament - \$150.00 (waived in 2009 for U10 D1 teams)

District Registrar’s Processing Fee - \$1.25, per player

League Expense/Playing Fee – as determined by the host league. Other expenses: tournaments, uniforms, equipment, etc. should be discussed with the host league.

League Games

Each League is expected to supply fields and referees for League games on a fair and equitable basis. (Leagues must supply 1 field per 4 teams participating in the program, per season.) The host league pays for all related costs associated with games assigned to the fields. Leagues that are unable to supply adequate fields must submit a Field Reassignment Agreement form and advance reimbursement for the reassignment of the games they are responsible for.

Field Reassignment

Leagues may be subject to a minimum of \$75, per game for ages U14 and younger if they are unable to supply adequate fields. A higher rate may be collected for reassigned games depending on the actual costs to the alternate host league. No League is expected to “pick up” additional games without agreement. The District will consider adjustments based on the host League’s overall field support for the entire year. *Note: If reassignment is required team(s) affiliated with the league will not be assigned an equal number of home and away games.*

Tournaments

Teams may apply for one or more tournaments, providing they are in good standing with the District and their affiliated League. The cost of the tournament is the responsibility of the team (refer to your League for reimbursement/payment policies). *Refer to the Tournaments section of this guide for “How to apply” instructions.* Problems at tournaments are to be reported to Darlene Wilharm 209-815-0373.

Competitive League Coordinators

Each League must designate/appoint a DOL/Kaercher Coordinator for the season. These individuals serve as the advisory membership and representation at meetings with the District Competitive Coordinator. The League Coordinator is responsible for timely distribution of updates to their respective leagues. Duties include (but are not limited to): Representation at the monthly District DOL/Kaercher Competitive Coordinators’ meeting (3rd Wednesday of each month), Attendance at the annual District DOL/Kaercher Programs Coordinators’ meeting, Serve as the liaison between Leagues and the District DOL/Kaercher Chairman, Provide registration assistance to Competitive Coaches in their respective Leagues, Ensure that all DOL/Kaercher Rules & Regulations are reviewed and followed by the League’s Coaches, Assistant Coaches, Team Managers, Players, Parents, and their associated guests. Manage the “End of Season” tournament if their League volunteers to host.

No Tobacco, Alcohol, and Pets Policy

CYSA District VIII disallows the use of tobacco products within 25 yards of any **CYSA** affiliated activity involving youth. Furthermore, alcohol consumption or use of illegal drugs before, during, or immediately after events is prohibited. Pets are not allowed at any CYSA sanctioned event in District VIII, including practice, scrimmages, and games. SERVICE ANIMALS are permitted.

Insurance

All registered members, teams, and leagues of the California Youth Soccer Association, Inc. are covered. This includes registered team members, coaches, officials, managers, referees and volunteers of the teams, leagues or of the association. The above participants are covered during sponsored and supervised activities of **CYSA**, such as games, practices, and tournaments and other sponsored activities for the current season. Injuries must be reported within 90-days of the incident. For more information about **CYSA’s** insurance and coverage speak with your League Coordinator or go to the CYSA web site at www.cysanorth.org or contact Debbie Alvarez at the **CYSA** State Office by phone or e-mail at dalvarez@cysanorth.org. Adds: For all players and Team Officials, (Coaches/Asst Coaches/Managers/Trainers, etc) – Completed by the League Registrar

Drops/Releases: Required for all Players/Coaches/Assistant Coaches which are being released from a team. The required signatures must be obtained before a release can be processed. Note: The reason and Parent/Legal Guardian/Player (if over 18) must sign and date. The Release must also be approved by a League Official (not just the Coach). Players who are Dropped may not participate in any CYSA event for the remainder of the seasonal year. It is important that parents and players understand that they are terminating the player's option to play for other teams in CYSA, not just the team he/she is dropping from. **Exception: A player may "transfer back on the team and then be subsequently transferred to a new team... IF there is adequate space on the roster which he/she was originally rostered on."*

Transfers: The ACCEPTING League must start the paperwork. There are a total of 5 signatures that must be obtained prior to the District Registrar processing the transfer. Note: Until the form is complete, fees submitted, AND received by the District Registrar, the clock for eligibility does not start... Players are eligible on the 8th day after the date of receipt of the 1606 form by the District Registrar. A new roster & the player pass shall be held by the League until the player is eligible.

If a transfer is URGENT, the District Registrar will accept photos via email and forms via fax to begin the processing date. However, the Roster and pass will not be released until all original paperwork has been received by the District Registrar.

League Registrars

1. League Registrars establish processing timelines that differ from the District's stated due dates. They need time to process paperwork. Please be sure to respect their need for time to complete data entry and registration tasks.
2. League Registrars are well informed on the District's Registration Policies and Procedures. Please do not argue with your League Registrar.

2. Forfeiture fees shall be assessed at \$50, per game for the first two missed games. On the third offense, the Assistant District Commissioner will be notified and a PAD Hearing will be scheduled to review the circumstances and determine the appropriate disciplinary action/fines.

3. Game Duration – During League play, the following periods will be uniform, regardless of whether one or two games are played in a single day.

Age Bracket	Duration

U15-U19	35-minute halves

 - b. Coaches who allow their team to exceed the point differential shall be subject to suspension as defined in the Suspensions & Penalties section.
5. End of Season Tournament – Teams who roster for the League must participate in the EOS tournament.
 - a. Tournament fees are non-refundable.
 - b. Forfeiture fines for missed EOS tournament games - \$100, per game.

Referee Concern Protocol

1. DO NOT argue with the referee/referees. They are ALWAYS right, even when they are “wrong”. NO coach has ever won an argument with a referee. Do not put yourself at risk of being suspended because you confronted a referee before, during, or after a game.
2. It is YOUR responsibility to keep your players AND spectators under control before, during, and following all CYSA sanctioned games.
3. All referees WILL make mistakes during the course of a game, that is part of the game.

4. Your “view” of a specific play will usually be exactly the opposite of what the center referee’s view is (Usually the referee is in the “center” of the field and you are on the “side” of the field). The referee will see fouls that you will not see and vice versa. Expect this and “live” with it.
5. Accept the calls; they will usually even out UNLESS one team is playing more aggressively than the other team.
6. If you observe one of your players beginning to play more aggressively than what is called for or at a more aggressive nature than what the other players are playing at OR your player is becoming “mouthy” towards the opposing player/players OR referee you should take action to control the player before the referee does.
7. Be sure that your players understand that DISSENT towards the referee is NOT ACCEPTABLE conduct from any player or team official at any level of CYSA sanctioned play.
8. IF, the referee is not calling fouls properly and those non-calls put your players in danger of being injured because of the referee’s “lack of control” of the game. You should ask the nearest assistant referee to you to request that the center referee “Tighten Up” the game. If the center referee does not comply in a reasonable amount of time with your request after being notified by the assistant referee of your concerns you should “abandon” the game by removing your team from the field and write a brief one or two page report to: Bob Asklof, D8 Commissioner @ PO Box 1688, Lodi, Ca. 95241 as to what your reasons were for abandoning the game. If you choose to abandon the game because the referee does not in your opinion have control of the game DO NOT get into a discussion with the referee about it after the game is over. STAY AWAY from the referee after the game, he/she does not want to hear your comments on their officiating ability. DO NOT abandon a game because of disputes/dissatisfaction about referee judgment calls regarding: Who’s throw in it is when the ball goes out of bounds; Whether it is a goal kick or a corner kick; Whether a player was off side or no, etc. You should only abandon a game when you feel the playing environment is dangerous for your players.
9. DO NOT discuss anything that took place during a game with the referee after ANY game: Stay away from the referee/referees after a game. The referee does not want your opinion of his/her skills as a referee. (If you have negative comments about a referee they should be sent in writing to Bob Asklof @ PO Box 1688, Lodi, Ca. 95241). If you choose to write a letter about the referee’s actions be specific in your letter as to what technical mistakes were made by the referee (Be sure that you know the rules of play before you write the letter). Give the date, time, age/gender group, location of the game, and the level of play. (I need to be able to find out who the referee was). Your remarks or actions towards a referee before, during or AFTER a game may lead to your suspension as a coach. Do not let your spectator/parents confront a referee during or after a game. You are responsible for their actions as well as your own behavior and you could be suspended for not controlling your spectator/parents.

End of Season Tournament Format – U11 and older

Schedule – TBA

A winner will be declared in each age group/bracket as the District Cup Champion

Point System for Tournament

1. Preliminary Rounds – the following point system will be used to determine which teams will advance: 3 points – Win, 1 point – Tie, 0-point – Loss
 - a. If two (2) teams are “Tied” in points at the conclusion of the preliminary rounds, the following tie-breaking procedures will be employed to determine which team will play in the Championship or the Consolation Games.

- b. Result of head-to-head competition between the teams that are tied.
 - c. Goal differential (goals scored minus goals allowed to a maximum differential of 4 per goals per game).
 - d. Least goals allowed.
 - e. Most goals scored to a maximum of 4 goals per game.
 - f. Kicks taken from the penalty spot per FIFA.
2. If more than two (2) teams are tied at the end of the preliminary rounds, the above list of tie-breakers will be used in sequential order until one (1) team is determined to be the winner. The tie-breaking procedure does not revert back to the previous tie-breaking criteria after one team has been eliminated.
 3. Game Durations for Preliminary Rounds shall be 5 minutes less each half of play from the respective age matrix league game durations.
 4. Game Durations for Championship and Consolation Games shall be the same as league game durations.

Chapter 7 DISCIPLINARY PROCEDURES

- 1) The Protest and Discipline Committee (PADC) of the Dennis Olson League and Kaercher League derives its' authority from and operates under the District VIII Playing Rules and Procedures.
- 2) The Assistant District Commissioner has the authority over most disciplinary matters involving District VIII coaches, players, team administrators and parents. The notable exception involves "Referee Assault" which is heard by the CYSA. The host league may not impose discipline against a coach, player, team administrator or parent involved in the Dennis Olson League or the Kaercher League until the matter is referred to that league by the Assistant District Commissioner. Disciplinary actions listed are to be regarded as minimum game suspensions. District VIII has the discretionary powers to increase penalties befitting the infractions.
- 3) The coach is responsible for keeping his/her players, parents and spectators under control before, during and after any CYSA sanctioned event. The jurisdiction of the DOL and Kaercher PADC includes discipline of the behavior of coaches, players, team administrators and parents at CYSA sanctioned events even though no ejection has occurred.
- 4) District VIII Board of Directors memorandum dated August 23, 1999: Adoption of probation and/or jeopardy to persons with multiple ejections will start on date of latest offense.
- 5) Coaches are responsible for the proper administration of discipline associated with their team. Coaches and team administrators will be held accountable for failure to comply with the mandatory disciplines and procedures listed below. Ignorance of jeopardy for multiple ejections cannot be used as a defense.
- 6) The following discipline will be imposed on all coaches, players and team administrators participating in the Dennis Olson League and the Kaercher League.

Chapter 9 PROCEDURE FOR HANDLING “SEND OFF” REPORTS

In order to handle send offs in a timely manner DOL and Kaercher Leagues MUST receive accurate and timely send off reports from the game referees. It is the responsibility of the host league’s DOL and/or Kaercher coordinators to assure that the referee’s 24 hour send off reports are mailed, faxed or e-mailed to the District VIII Assistant Commissioner in the allotted required time frame. (Sue Gonzales – 1006 Hatchcover Pl., Manteca, CA. 95337 or 209-824-2472 or suecysa@aol.com).

Therefore the following procedures MUST be followed. This applies to league play only. When you are at a tournament, tournament rules will apply for sent offs.

Players:

- 1) DOL and Kaercher coordinators are responsible for forwarding the sent off report to the District VIII Assistant Commissioner within 48 hours of the send off. This is done by the host league.
- 2) The head referee will return the players pass to the coach and/or team official after the game and coach and/or team official will keep the players pass until the player has been cleared to play by the District VIII Assistant Commissioner. (see penalties listed under disciplinary procedures for players).
- 3) Any coach or team official that violates the above policy is automatically suspended for a minimum of six (6) games.

Coaches, Assistant Coaches

- 1) DOL and Kaercher coordinators are responsible for forwarding the sent off report to the District VIII Assistant Commissioner within 48 hours of the send off. This is done by the host league.
- 2) The head referee will return the pass to the coach and/or team official after the game and coach and/or the team official will notify their league coordinator. The coach will give his pass to their league coordinator to keep until they have been cleared to play by the District VIII Assistant Commissioner (see penalties listed under disciplinary procedures for coaches).
- 3) Any coach or team official that violates the above policy is automatically suspended for a minimum of six (6) games.

Chapter 12 FORMS –

DOL/KAERCHER COACHING ETHICS & PROTOCOLS

1. It is my duty to teach all the kids on my team how to enhance their soccer skills individually and collectively. It is my duty to teach the kids how to work and train together to achieve reasonable goals as a team.
2. It is my duty to discourage cheating, gamesmanship tactics, foul play, and unsportsmanlike conduct by the players on my team and the team coaching staff. I will set a high standard of integrity for my staff and players.
3. I will not allow my players or staff to commit referee abuse, dissent, or disrespect before, during, or following a game. I will set the proper example for my team when dealing with the referees. If a referee does not have control of a game I will not confront the referee or complain/dissent loudly. I will make contact with the nearest assistant referee and “request” that the referee bring the game under control. If the referee is unable or unwilling to bring the game under control and I believe that by continuing the game I am risking a serious injury to one or more of my players I will abandon the game make a brief report in writing to the Dennis Olson/Kaercher Chairperson as to the reasons why I abandoned the game. I will not confront a referee in an abusive manner under any conditions.
4. I will not verbally, mentally, or physically abuse my players. I will do everything in my power to make myself the best possible coach for my players. I will make the same commitment to becoming a better coach that I ask my players to make to become better players over the course of a seasonal year.
5. I will treat my players in the manner that I would like to be treated if the situation was reversed; y players were the coach and I was the player.
6. I will be on time for all my team training sessions and will do everything I can to be early and prepared to begin a training session at the predetermined time. I will make my training sessions as interesting, rewarding, and fun for the players as possible. I will run short, efficient, well thought out training sessions at all times.
7. Before, during, and after games I will maintain proper control of myself, coaching staff, players, and spectators associated/affiliated with my team.
8. I will never harass, attempt to intimidate, or be rude to any individual that is checking credentials prior to the start of any game, during league play or tournament play. I will be courteous to all tournaments officials, district staff personnel at all times.
9. It is my duty to learn how to properly apply to CYSA tournaments in a timely manner and out of state tournaments if I wish to take my team out of state for play with teams from other USYS affiliated state associations. (Any team south of Visalia, Ca is “Out of state play” and requires USYS travel documents.)
10. I will not make direct contact with the District 8 Registrar, except by email. I will always submit all documents requiring the District Registrar’s signature through my league registrar in a timely manner. I am aware of the \$25.00 fine that I will have to pay if I contact the District Registrar by phone.

11. I will maintain a record of all red card send offs that are received by members of my team. Once a player/adult has received a second 3rd red card sendoff within a 12-month period of time I will not allow that individual to participate in any game until I have sent the player/adult pass to the DOL/Kaercher PAD Committee and the pass has been returned to me with a statement that the player/adult is eligible to play/participate. A player may receive a 2nd red card send off within the 12 month period during a tournament and the tournament PAD committee clears the player to play in the tournament after serving a one or two game suspension. THAT PLAYER MAY NOT PLAY ANY MORE GAMES IN THAT TOURNAMENT

UNLESS THEY HAVE BEEN CLEARED TO PLAY BY THE DOL/KAERCHER LEAGUE PAD COMMITTEE PERSON. Any coach that violates this section will be suspended from CYSA Activities for a minimum of 6 games. It is my responsibility to read and understand the DOL/Kaercher League Disciplinary Structure for players and adults BEFORE I begin the playing season. In addition, in some cases, I understand that a suspension may exceed 6 games for certain multiple red card infractions and could be up to a year or more for those or other infractions.

12. My team and I will not do anything to bring dishonor to, or embarrass my home league, DOL/Kaercher league, District 8 or CYSA by our actions on or off the playing field.

13. I understand that for any CYSA event, function, or otherwise that it is up to me that I must participate according to all rules, with the understanding that it is my responsibility to obtain that information. I will always have in my possession or at the site where I am responsible for my players physical well being a properly filled out and signed CYSA Form 1601 Registration/Medical treatment release form and properly processed adult/layer passes for each of the players/adults present on my team at any sanctioned game, or other "team activity" approved by CYSA or District 8. All such activities must be League/District/CYSA approved.

14. By signing this Coach Ethics agreement, I am committing my team to play in one of the District 8 playing leagues for the upcoming seasonal year, and will abide by all the rules and policies thereof.
